

WoodMor Foundation C.I.C

Vision

A world with no discrimination in recruitment. Where all candidates get to showcase their skills and capabilities with a fair and unbiased recruitment process.

Woodmor will:

- Be a catalyst for change.
- Be an advocate for marginalised groups in recruitment.
- Challenge stereotypes and promote inclusivity

Goals/Objectives

- To become an advocate for change for marginalised groups in the employment sectors.
- To improve the wellbeing of marginalised participants by empowering self confidence and providing opportunities for them to be self fulfilling
- To begin to become a hub for marginalised employment groups
- To develop a significant partnership program to support marginalised groups into employment
- To offer additional consultancy to partner organisations eg Disability Confident Leadership and Mental Health First Aid training
